T&T engages third- through sixth-graders by answering their questions about God and the Bible, guiding them through this pivotal life stage to grow in

Introducing new T&T Ultimate Adventure Uniform and Award Emblems for 2014-15!

As a result of feedback from churches and families, we are happy to announce the new Ultimate Adventure uniform available July 1, 2014. This durable, lightweight jersey-style shirt offers your 3rd and 4th graders their own distinct

Christ's grace.

Handbooks and large-group lessons deepen a child's knowledge about God and His Word and teach how to put that knowledge into action in everyday life.

T&T is different from other Awana programs. It is comprised of two clubs with distinct curriculum, uniforms and awards:

- [T&T Ultimate Adventure™](#) for third and fourth grades
- [T&T Ultimate Challenge™](#) for fifth and sixth grades

Local churches can run the T&T clubs separately or combine them for Large Group Time and Game Time. In any case, the two clubs are designed to help kids stay

identity and complements the popular Ultimate Challenge uniform.

T&T clubs will also have a new emblem-based Ultimate Adventure award system that is safer and easier to use. No more pins!

These new emblems will come in multiple colors and can be used with any Discovery in either Ultimate Adventure book. In addition, for those clubs that desire it, the new Ultimate Adventure uniform award system will enable kids to creatively customize their award experience by arranging emblems in unique designs and patterns on their uniforms!

We will continue exploring other ideas to upgrade the T&T ministry as we seek to serve you and your clubs more effectively.

plugged into T&T as they move into the preteen years and continue growing in their relationship with Christ.

Today, 10- to 12-year-olds, known as tweens, face unique pressures, demands and distractions. These factors can result in a marked increase in discouragement, apathy and disengagement. Christian children are not immune.

Awana has responded by updating T&T to reinforce commitment, identity and community for these kids and to give third- and fourth-graders a new club stage to anticipate. These updates also focus the attention of leaders on the unique challenges and needs of this age group.

The ultimate message to kids of every age group is that nothing is more important than their relationship with Christ and following His way of living in the Scriptures.
