Note from Administrator

Senior graduation is just around the corner. Having four children receive their diplomas in the past brings back the memories of both excitement and a sense of loss. I'm so thankful that the Lord is always beside us when we walk through the many blessed seasons of life. Eccl 3:1 – *For everything there is a season, and a time for every matter under heaven.* The family unit is of His own design, and He refers to these precious children often throughout His Word. Psalm 127:3 – *Behold, children are a heritage of the Lord!* What a wonderful time of reflection we enter upon graduation. May we with younger students recognize that this time approaches swiftly and to utilize every moment we have with them to build them up and encourage them in their walk and relationship with the Lord.

Blessings, Linda Hoffman
